

CleanWaterCleanAir™

Drink Clean – Breathe Clean – Sleep Well

CleanWater Whole Home Filtration Unit For Well Water Systems

Stage 1

Stage 1 uses a multi faceted filter to filter out large particles greater than 5 micron and to condition the incoming water so it can no longer form calcium carbonate. This filtration process extends the life and reduces maintenance of the proprietary element in the next stage.

- Filters out sediment
- Conditions water so glasses and faucets remain spotless

Stage 2

Stage 2 uses our proprietary Hi Flow/Hi Capacity mechanical filters to remove some bacteria/viruses as well as further removing particulate to enhance Stage 3 filtration performance.

Stage 3

Stage 3 uses our proprietary proprietary filter to filter out bacteria, viruses, cysts, spores, and other pathogens. It is engineered with an activated carbon high surface area paper to reduce pathogens, pesticides, pharmaceuticals, forever chemicals (PFOA/PFOS), and heavy metals (including lead). Incorporates Agion silver particles to keep filter from biofouling.

Compliant
NSF Standard 42
Class I Particulates
Cysts, Extraction

Compliant
NSF Standard 53
(PFOA/PFOS) less than 20 Parts Per Trillion
(10PPT PFOA/10PPT PFOS) Chlorine Reduction. Extractions

Compliant
NSF Standard 61
Extraction and Pressure

Compliant
NSF Standard 372
NSF Lead-Free

Select Whole Home Unit 5 – 10 GPM
Whole Home Unit 10 – 20 GPM
Whole Home Unit 20 – 40 GPM

The UltraHome Filtration System is your clean water solution for you & your family. It creates healthy water for drinking, cleaning, and bathing. Our filtration system uses the same technology used by NASA. It filters water with no chemicals. The **CleanWater** UltraHome Filtration System creates healthy and great tasting water for your family to enjoy.

Purer Than Bottle Water

Saving the planet, replacing bottled water with UltraHome Filtration System.

- **No Chemicals.**
- **NO Waste Water.**
- **99.999999% Removal of Bacteria**
- **>99.99% Removal of Spores, Bacteria, Cysts**
- **PFAS / PFOS / PFOA – Forever Chemicals**
- **Viruses, pathogens, mold, fungus**
- **'Allowable Toxins' – chlorine**
- **Heavy Metals, Lead, Micro-Plastics**
- **Pesticides, Pharmaceuticals**
- **Adding Micro-Nutrients & Minerals for Optimum Health benefits**
- **Eco-Friendly**
- **Eliminates the use for plastic water bottles**

Never wonder what's in your water, again.
